SUMMARY

I'm a passionate frontend developer with 3 years of experience, with a keen eye for detail and a love for crafting engaging user experiences.
My toolkit includes a variety of technologies and tools. I'm proficient in HTML, CSS, and JavaScript, and I have hands-on experience with popular frontend libraries and frameworks such as Reactjs, Nextjs and Tailwindcss. I stay up-to-date with the latest industry trends and best practices to ensure that my work is always on the cutting edge.
Experienced in working with both small and large teams across multiple projects and companies. Able to work independently of remote locations or in office environments as needed by the company.
